Due to the many factors that can affect the outcome of the tanned product, such as primeness, conditions of the specimen, climatic conditions, and improper hide care while not in the tannery's possession, we assume no responsibility or guarantee to the results of any specimen.

I, _____, understand that all the unfinished hides I brought in for tanning services today are considered one package and that I am responsible for paying Sitka Tribal Tannery for all tanning charges for my finished package once I have received notice of completion. I understand my deposit of \$20/hide due at time of submissions will be payment towards my finished package.

I surrender ownership of my finished package and deposit ninety (90) days past the date of completion, provided that Sitka Tribal Tannery has notified me that the product is completed and that payment is due, and I permit Sitka Tribal Tannery to sell all items contained in the unclaimed, unpaid package and to apply the proceeds of sale to my charges plus the expenses of sale.

I certify that all federal and state regulations were followed during the harvesting of the hide(s) listed above, including, but not limited to the law set forth in the 1972 Marine Mammal Protection Act.
