**02.04.01 Purpose**

The purpose of this ordinance is to confirm the establishment of a public body known as the Baranof Island Housing Authority (hereinafter referenced as the "BIHA") established by Sitka Tribe of Alaska (hereinafter referenced as "STA") and to clarify the relationship between STA and BIHA.

STA established BIHA through Ordinance 80-24, Resolution 82-2, and Ordinance 84-3, Ordinance 84-4, Ordinance 84-11, and Ordinance 84-24 (enacted November 4, 1980, March 18, 1982, May 1, 1984, May 8, 1984, respectively) in order to establish a Regional Housing Authority under Alaska State Statute, and Federal law (United States Housing Act of 1937, which provided assistance to Indian Tribes and Indian Housing Authorities at that time). The purpose of establishing BIHA was to create a public body to address unsanitary, unsafe and overcrowded dwelling accommodations, the shortage of decent, safe and sanitary dwelling accommodations available at rents or prices which tribal citizens of STA and other persons or families of low income could afford, and the circumstances which create such shortage where such persons must occupy unsanitary, unsafe and overcrowded dwelling accommodations. This ordinance supersedes and replaces all prior ordinances regarding the establishment of BIHA.

**02.04.02 Authority**

Pursuant to Article VII, Section 1(f), 1(k) and 1(p) of the Sitka Tribe of Alaska Tribal Constitution, the Tribal Council has the power and obligation by appropriate motion, resolution or ordinance:

"(f) To authorize or direct subordinate boards, committees, Tribal officials, or Tribal employees to administer the affairs of the Tribe and to carry out the directives of the Tribal Council...

(k) To administer any funds within the control of the Tribe... and

(p) To organize and charter enterprises, corporations and associations, and to join or charter housing authorities."

Pursuant to Alaska Statute 18.55.995 and 18.55.996, Sitka Community Association (which is the former name of Sitka Tribe of Alaska) was authorized to create a public body to function within STA's area of operation to serve as a Regional Housing Authority, provided that SCA (now STA) declared that there was a need for the authority to function, gave it the authority to function and named five commissioners for three year terms. Such public body, established as BIHA, can continue to operate provided that STA continues to appoint the requisite number of commissioners to BIHA's Board each year.

Pursuant to the Native American Housing Assistance and Self-Determination Act of 1996, as amended, (NAHASDA), STA is authorized to directly receive federal assistance as a

federally recognized Indian tribal government for the purpose of improving housing conditions, and providing affordable homes in safe and healthy environments.

Through this ordinance, STA Tribal Council exercises its Constitutional authority to reaffirm the establishment of BIHA as a regional housing authority under State law and a Tribally Designated Housing Entity under federal law.

- (2) In any suit, action or proceeding involving the validity or enforcement of or relating to any of its contracts, BIHA shall be conclusively deemed to have been established and authorized to transact business and exercise its powers upon proof of the adoption of this ordinance. A copy of the ordinance duly certified by the Secretary of the Council shall be admissible in evidence in any suit, action or proceeding.
- (3) Sitka Tribe of Alaska authorizes BIHA to do any and all things necessary or desirable to secure the financial aid or cooperation of the federal, state, or local government or other non-governmental entity in the undertaking, construction, maintenance or operation of any BIHA project, which are consistent with the provisions of this ordinance.

- (4) The Council hereby gives its consent to allow BIHA to sue and be sued in BIHA's name, upon any contract, claim or obligation arising out of its activities. Through this ordinance, STA and BIHA acknowledge that BIHA does not possess sovereign immunity. Nothing in this ordinance should be construed to waive STA's sovereign immunity. Therefore, STA shall not be liable for the debts or obligations of BIHA, or judgments against BIHA.

**(b) Purpose of BIHA**

BIHA operates as STA's Housing Authority, established under tribal law to function under state and federal law, and has the following purposes:

- (1) To develop, maintain, and operate affordable housing in a safe and healthy environment for occupancy by Sitka Tribal citizens and other persons or families of low-income;

- (3) To coordinate the development of housing activities with other tribal economic and community development projects;
- (4) To plan for and integrate infrastructure resources for construction of homes; and
- (5) To promote employment opportunities through construction, reconstruction, improvement, extension, alteration or repair and operation of low income dwellings; and
- (6) To create and implement other programs to fulfill the mission of BIHA.

**(c) Tribally Designated Housing Entity**

Through this ordinance, Sitka Tribe of Alaska acknowledges that via resolution it has appointed Baranof Island Housing Authority as its tribally designated housing entity under the Native American Housing Assistance and Self Determination Act of 1996 (NAHASDA, 25 U.S.C. §§4101 et seq.) for the purposes of formulating an Indian Housing Plan for the Tribe's area of operation, and to receive grant amounts and provide assistance under NAHASDA for affordable housing for Indians within STA's area of operation. This appointment may be rescinded by Sitka Tribe of Alaska via resolution at any time.

**02.04.05 Relationship with Sitka Tribe of Alaska**

**(a) BIHA's continued obligations to STA**

- (1) BIHA shall submit an annual report, signed by the Chairperson of the Board, to the Council including the annual audit (with the management letter), Indian Housing Plan and Annual Performance Report.
- (2) The Executive Director of BIHA shall submit monthly reports to the Tribal Council including an executive summary, a copy of Board Minutes from the most recent month's Board meeting, and complaints raised under 02.04.05(b)(6) of this ordinance; and
- (3) The Board and the Council shall meet semi-annually. At the first meeting each year, the BIHA shall provide the Council with a written summary including
  - (A) a summary of the year's activities,
  - (B) a summary of the financial condition of BIHA,
  - (C) the condition of the properties,
  - (D) the number of units and vacancies,
  - (E) any significant problems and accomplishments,
  - (F) plans for the future, including those projects for which BIHA is seeking tribal support,
  - (G) a report on the number of evictions occurring the previous year, as well as an update on the resolution of complaints referred by the Council regarding BIHA, and

- (4) The Board shall request assistance or support from STA, when necessary for the planning, undertaking, construction or operation of BIHA projects.
- (5) BIHA projects funded under NAHASDA shall comply with applicable Indian preference requirements. STA recognizes the importance of addressing Indian preference goals and has adopted a Tribal Employment Rights Ordinance (TERO) to further its Indian preference efforts. BIHA will adopt an Indian preference policy and procedures to formalize its Indian preference process which at a minimum will (a) allow BIHA to respond to complaints regarding Indian preference and (b) allow complainants to appeal BIHA's decision regarding Indian

preference through STA's administrative process under the TERO ordinance. However, if BIHA has not adopted an Indian preference policy, STA's TERO Ordinance shall apply to BIHA's Indian preference activities.

- (6) BIHA shall provide reports, as necessary, to update the Tribal Council as to any complaints brought to STA Tribal Council and redirected to BIHA Board, pursuant to 02.04.05(b)(5) and (b)(6) of this ordinance.
- (7) BIHA shall enact and abide by a Code of Conduct no less stringent than that adopted by Sitka Tribe of Alaska Tribal Council, and shall attempt to address issues relating to ethics within BIHA before raising such issues to STA Tribal Council under 02.04.06(c) of this ordinance.

**(b) STA's on-going support of BIHA**

For the purpose of aiding and cooperating in the planning, undertaking, construction or operation of projects, the Tribe hereby agrees that:

- (1) It will treat BIHA's occupants the same as it will treat any other tribal citizens and it will provide BIHA similar treatment to any STA chartered organization.
- (1) Insofar as it may lawfully do so, it will grant such deviations from any present or future building or housing codes of the Tribe as are reasonable and necessary to promote economy and efficiency in the development and operation of any project, and at the same time safeguard health and safety, and make such changes in any zoning of the site surrounding territory of any project as are reasonable and necessary for the development of such project, and the surrounding territory.
- (2) Upon request from the Board, the Tribal Council will give due consideration to offer support, within its lawful powers, in the planning, undertaking, construction or operation of BIHA projects.
- (3) The Board has final administrative authority to decide issues related to BIHA's implementation of projects, except for matters related to Indian preference which are governed by 02.04.05(a)(5) of this ordinance.
- (4) Any complaint brought to STA on behalf of a program participant regarding BIHA will be re-directed to the Board for resolution. The Board shall report back to the Tribal Council regarding resolution of such complaints as provided in 02.04.05 (a)(2), (a)(3)(G), or (a)(6). Complaints regarding Indian preference shall be redirected according to 02.04.05(a)(5).
- (5) Both the Tribal Court of the Sitka Tribe of Alaska and the State Court of Alaska shall have concurrent jurisdiction to hear and determine any contractual or tort dispute between BIHA and any program participant, including eviction matters.

Tribal citizens who have a dispute with BIHA have the right to bring such dispute to Sitka tribal court for resolution in lieu of state court. Prior to filing suit in any dispute with a Tribal Citizen, BIHA shall inquire whether the Tribal Citizen wishes to proceed in Tribal Court or State Court, and BIHA must file the action in the court chosen in writing by the Tribal Citizen, if the citizen makes a written choice of courts prior to the action being filed.

(c) The provisions of this section shall remain in effect with respect to any project, so long as (1) the project is owned by BIHA and is used for low income housing purposes, (2) any contract between BIHA and any federal, state, or local government or other entity for cash or annual contributions, or both, in connection with such project, remains in force or effect, or (3) any obligations issued in connection with such project or any monies due to any federal, state, or local government, or other entity in connection with such project remain unpaid, whichever period ends the latest. If at any time title to, or possession of, any project is held by any public body or governmental agency authorized by law to engage in the development or operation of low income housing including the Federal government; the provisions of this section shall inure to the benefit of and be enforced by such public body or governmental agency.

participants, even though such matters affect him or her as well. However, no such Commissioner shall be entitled or permitted to participate in or be present at any meeting (except in his capacity as a program participant), or to be counted or treated as a member of the Board, concerning any matter involving his or her individual rights, obligations or status as a program participant.

**(b) Limitations of Powers of BIHA**
