TRIBAL GOVERNMENT FOR SITKA, ALASKA

2020 CARES Act Sitka Tribe of Alaska Wooncheen Preschool and Sitka School District K - 12 Student Computer Assistance Program

This form will be used for Sitka Tribe of Alaska (STA) and Sitka School District (SSD) use only.

The 2020 CARES Act STA Wooncheen Preschool and SSD K - 12th Grade Student Computer Assistance Program is part of STA's response to the COVID-19 pandemic, and our effort to ensure that all tribal youth in the Wooncheen Preschool and the Sitka School District (SSD) have access to the computing devices and internet access they need to be successful. Through a partnership with SSD, STA will be providing all tribal youth enrolled in the Wooncheen Preschool and SSD's K - 12 grades with the computing device they need to succeed at their grade level.

Devices will be distributed as follows:

Wooncheen Preschool: iPad and iPad Protective Case

Kindergarten: iPad, iPad Protective Case, and Headphones

1 - 8 Grades: iPad, Keyboard / Protective Case, and Headphones

9 - 12 Grades: Laptop and Headphones

Note: SIM Cards that provide cellular Internet access will be provided to all SSD students qualifying for free-or-reduced lunch. Please ensure that your child and/or child under your guardianship is registered for free-or-reduced lunch or contact STA CREED staff for assistance.

Devices will be distributed to students as part of SSD's regular student computer distribution process in August 2020. Devices will be networked with the SSD network so that students will have all of the platforms and computer applications they need for their grade level. After 3 years when tribal youth receive a new loaner device from SSD, tribal youth will retain their device and it will be removed from the SSD network upon the parent or guardian's request. After removing the device from the SSD network, the device becomes your property. STA will provide NO technical support, warranty or replacement for any of these devices.

If you have any questions, please email at ITcares@sitkatriben-sn.gov or call 907-747-3207 to speak with a CREED staff member.
